
Towards Submission Chair of the Panel Responsibilities

Statement of Purpose

The Towards Submission review is the final milestone for graduate researchers (subject to enrolled degree) at Victoria University.

This Milestone Review is designed to further provide graduate researchers with constructive and rigorous feedback on their approved program of research. The review considers quality and progress, and plans for professional development to facilitate high quality, ethical and timely research, under the guidance of appropriate supervision.

Victoria University values the contributions of Chairs of the Panels. This is an important role and should **normally** be undertaken by a VU academic who is a Level 3 Supervisor.

- The Chair is responsible for the appropriate conduct of the meeting. Tasks they should focus on include:
 - Assisting the applicant with setting up of the equipment, lighting, audio etc.
 - Activating the online (eg Zoom/Teams etc) connection with Panel member(s) as required.
 - Check with candidate before commencing presentation that there is no perceived conflict of interest with any of the nominated panel members.
 - Acknowledgement to Country (refer to Page 4)
 - Introducing members of the Panel to each other and to the applicant.
 - Confirming that Panel members have the appropriate documentation required for the presentation.
 - Postponing the meeting if more than one of the panel members isn't able to attend the meeting. Arrangements are to be made with the Graduate Research School for an alternative meeting time.
 - Provide a brief summary highlighting purpose of the presentation for the applicant, Panel members and audience.
 - Outline the meeting's proceedings and the timing allowed for each stage of the session (see above).
 - Keeping applicants, panel members and the audience members to time.
 - Fielding and confirming as required, questions and responses from applicants, panel members and the audience members. Questions should be restricted to question time so the applicant can have the opportunity to present uninterrupted.
 - Ensuring all questions and responses are communicated to the applicant in a clear and professional manner.
 - Consolidate all panel comments into one final report.
 - Prepare a Panel Report for the candidate that is clear and concise with feedback that can be actioned.
 - Ensure that the Panel Report and recommendation on the candidature's milestone is submitted via the application within 10 working days of the oral presentation.

NB: Candidate's are advised that they will receive their formal feedback, regardless of outcome, no later than 15 working days after the oral presentation.
