At Victoria University (VU), you'll discover your new second home, making friends, building networks and graduating with the skills, knowledge and confidence to succeed in your future career. We're a world-class university, renowned for our inclusive environment, industry connections and innovative approach to education.

With extensive industry connections, VU keeps all courses up-to-date with the latest technology and trends. Our award-winning VU Block Model® will allow you to achieve your best by studying one or two subjects at a time in small, interactive classes, a teaching method that has significantly improved student engagement and results.

At our multicultural Sydney and Brisbane campuses, run in partnership with Education Centre of Australia (ECA), we offer a growing range of industry relevant courses in business, information technology and early childhood education.

You'll benefit from excellent facilities, supportive staff and practical, real-world learning. With opportunities for work placements and industry projects, you'll graduate job-ready with a globally recognised qualification.

SYDNEY

AUSTRALIA'S

ICONIC CITY

Welcome to Sydney, the capital of New South Wales. With a multicultural population of over five million, Sydney is a vibrant and inspiring study location, ranked 7th globally in the QS Best Student Cities 2024. It's a city famous for iconic landmarks like the Opera House and the Harbour Bridge, but Sydney offers so much more.

From beautiful parks and beaches to world-class museums and sport, exciting nightlife and festivals to delicious international cuisine, as a student at VU Sydney you'll never run out of things to explore and enjoy. Renowned as Australia's financial and economic powerhouse, the city also offers plentiful employment opportunities across all sectors.

When you study at VU Sydney, you'll join a diverse, inclusive and connected community. At our modern and accessible campus, right in the heart of the city, you'll share classes and conversations with students and teachers from a wide range of cultural backgrounds, meeting lifelong friends and building career connections.

BRISBANE

AUSTRALIA'S

RISING STAR

Welcome to Brisbane, the capital city of Queensland. With a fast-growing population of around 2.5 million, Brisbane is a thriving multicultural city that feels like there's room to breathe. The atmosphere is relaxed and welcoming, opportunities are all around, and exciting times are ahead with the 2032 Olympic Games on the way.

Australia's third biggest city, Brisbane offers strong economic development, with employment opportunities across all sectors, from local cafes to multinational corporations. The city has a sub-tropical climate, with an average of around 300 sunny days per year, so you can balance your study and work life with beach trips, outdoor dining and picnics by the river.

The VU Brisbane Campus is located in Fortitude Valley, one of the city's liveliest suburbs, with boutique shops and bars, live music venues and multicultural restaurants, including in Chinatown Mall. The new campus comes at the best possible time: Brisbane is booming and has much more on the horizon in the lead-up to 2032.

CAMPUSES UP CLOSE

SYDNEY CAMPUS

The VU Sydney Campus is located in the central business district (CBD), just a short walk to Sydney Harbour, one of the world's most beautiful natural harbours. There's a range of public transport options nearby, including Town Hall Train Station, only a 10-minute walk.

At the multi-level campus, you'll enjoy collaborative classes with outstanding facilities, including a learning hub, computer labs, student dining areas and spacious classrooms. You'll also benefit from dedicated support staff and regular activities and event.

BRISBANE CAMPUS

The VU Brisbane Campus is located in Fortitude Valley, a well-known entertainment precinct of Brisbane. The campus is a short walk from Fortitude Valley Station, and from there just a 5-minute train ride into the CBD. A range of other public transport options are available near the campus.

The campus opened in May 2023 and offers brand-new facilities including a learning hub, student lounges, computer labs and spacious classrooms. Our dedicated student support team will help you settle in and succeed.

LIVING & WORKING IN AUSTRALIA

Discover more about life in Australia

Australia is renowned worldwide as a welcoming, multicultural country with highly liveable cities, beautiful natural scenery and an outstanding quality of life. Studying at VU Sydney or Brisbane, you'll enjoy the endless opportunities and enviable lifestyle of two of the nation's biggest and brightest cities.

Both Sydney and Brisbane have an extensive and reliable public

transport network, meaning you can easily travel to all parts of the cities and outer suburbs, including VU campuses. With a strong job market across a variety of industries, both locations offer great opportunities to support your studies through part-time work and gain valuable postgraduate work experience.

“

THE VU BLOCK MODEL HELPS STUDENTS FOCUS ON ONE OR TWO UNITS AT A TIME, WHICH MEANS WE STILL HAVE TIME TO ENJOY OUTDOOR ACTIVITIES, EXPLORE THE CITY AND EXPERIENCE LOCAL CULTURE.

”

TUAN ANH, VIETNAM
Master of Applied
Information Technology

WORK OPPORTUNITIES

Sydney and Brisbane offer a wealth of employment opportunities across various industries, from casual work in areas like retail, hospitality and customer service to graduate positions and career development in healthcare, technology, engineering, education and so much more. They're perfect places to get international work experience, develop new skills and kick-start your career.

Before applying for jobs in Australia, make sure your resume is up-to-date and well presented. Check in with our VU Employ team to get the best advice, including interview practice, access to our online job search and information about work rights.

vu.edu.au/career-support

Australia has a strong system of laws and regulations to protect the rights of all workers, including international students. The current minimum wage is A\$23.23 per hour, but check the Government's fair work website for updates and further information.

fairwork.gov.au

WHILE YOU STUDY

Many international students choose to work while living and studying in Australia. An Australian Student visa (subclass 500) allows you to work part-time up to 48 hours per fortnight, and full-time during semester breaks. Working part-time is a great way to support yourself, develop skills and meet new people.

The VU Block Model teaching method offers focused and flexible timetables to help you balance study with work. As an international student, you are required to maintain course enrolment and ensure satisfactory attendance and progress. We strongly advise you to keep up to date about any changes to your visa conditions, including work rights, such as the number of hours you are permitted to work.

studyaustralia.gov.au/english/live/work

AFTER YOU GRADUATE

If you're interested in staying in Australia to work after you graduate, you'll need to get a relevant working visa before your student visa expires. There are two options available to you under the Temporary Graduate visa (subclass 485): the Post-Study Work stream and the Graduate Work stream.

The Post-Study Work stream is for international students who have recently graduated from an Australian institution in any discipline. The Graduate Work stream is for international students who have recently graduated with skills and qualifications that are relevant to specific high-demand occupations in Australia. Both visas let you live, study and work in Australia for a temporary period of time.

homeaffairs.gov.au/Trav/Stud/Post

Our partner ECA offers a range of employability support opportunities to VU graduates, including career workshops, work experience placements and access to the Employability Advantage program to develop your skills online.

internships.eca.edu.au

FEES & LIVING COSTS

Check the
Study Australia
Cost of Living
Calculator

Before you start your studies, it's a great idea to prepare a budget based on your lifestyle and accommodation choices. To help you prepare for life in Australia, these pages offer an indication of some of the costs you may incur. This is an approximate guide only and does not take into account your budget and spending habits.

TUITION FEES

Your tuition fees will be outlined in your offer letter. You will need to pay a tuition fee deposit to accept your offer. After you commence your course, you will be invoiced for each unit (subject) before it starts. Tuition fees vary by course and may change.

STUDY COSTS

You may need to buy equipment, textbooks or other materials for your course. These costs are separate from your tuition fees. Allow approximately A\$650 for books and stationery each year, plus any compulsory equipment.

LIVING COSTS

As a condition of your student visa you must have enough money to pay the first year costs of your stay, including your travel and living expenses.

As of October 2023, the Australian Government expects all new international students to have A\$24,505 in savings, with further funds available for any accompanying relatives. See the student visa application details on the Department of Home Affairs website for further details.

The Insider Guides' Cost of Living Calculator is another useful way to help estimate your costs in Australia.

immi.homeaffairs.gov.au/visas

insiderguides.com.au/cost-of-living

HEALTH INSURANCE

You must have Overseas Student Health Cover (OSHC) to obtain a student visa. Victoria University can arrange your OSHC for you, which gives you extra benefits over any policy that you can purchase directly. If you would like us to organize cover with you, it will be through Allianz Care Australia, our preferred supplier.

allianzcare.com.au/en/student-visa-oshc

REFUND POLICY

If special or exceptional circumstances prevent you from continuing your studies, you may be eligible for a full or partial refund. If you need to discontinue your course and seek a refund, you must supply documentary evidence in support of your application.

vu.edu.au/international-refunds

MAKE THE MOST OF STUDENT LIFE

ARRIVAL & ORIENTATION

If you're anxious about the big move, don't worry — we're here to help. When you arrive on campus, our support staff will give you all the information you need to find your way around campus and the city, as well as providing advice about accommodation and work.

Orientation sessions are held before the start of semester for all new students. These mandatory sessions are designed to help you settle into life at VU, adjust to a new learning and living environment and make new friends. Learn about the campus facilities, meet your teachers and classmates and enrol in your units of study.

SOCIAL ACTIVITIES

At VU, we celebrate cultural diversity and provide opportunities for all students to take part in community and social activities. We have a vibrant social calendar, programs to promote student leadership and activities to support community engagement.

We encourage all students and staff to get involved in social activities throughout the academic year. Attending social events will help you to make friends, develop your English language skills and gain a better understanding of Australian culture.

“

**A FRIENDLY ENVIRONMENT,
SUPPORTIVE STAFF AND
EXCELLENT STUDENT
SERVICES ARE JUST SOME
OF THE THINGS TO LOOK
FORWARD TO AT VU.**

SUPPORTING YOUR SUCCESS

Discover more
about our student
support services

At VU, our diverse and welcoming community is set up to support you from orientation to graduation. We want you to achieve your best and enjoy all the benefits of an international education.

To help this happen, we offer extensive support services to help you settle in and get the most from your time here. VU advisors are available to assist you with life and work advice, learning support and accessibility services. We also offer free and confidential counselling to all our students.

LEARNING HUB

The Learning Hub is a welcoming study space that provides library services and information literacy guidance. Our dedicated librarians can help you access textbooks, scholarly journals and research databases. The Learning Hub can be accessed at any time during campus opening hours.

WORKSHOPS

We deliver a suite of workshops throughout the academic year. These workshops are designed to help you transition to a new learning environment and will equip you with the knowledge and skills to thrive in your studies.

INDIVIDUAL SUPPORT

Our learning support advisers can assist you if you have concerns about an assessment or content being covered in a unit. We also employ student tutors who have achieved high grades to help you with your studies if you need additional support.

COURSE ADVICE

Our course coordinators can help you with a range of enquiries, including credit, unit selection and course progression. They will also issue you with a study plan that will map your progress from enrolment to course completion.

FLEXIBLE LEARNING TO BUILD YOUR DEGREE

Our higher education courses are taught through our award-winning VU Block Model. An innovative and internationally recognised teaching and learning model, it has a proven track record of academic and career success for our students.

The VU Block Model is different to other learning methods as it allows you to focus on one or two subjects at a time, rather than studying multiple subjects at once.

This means you'll have more time to get to know your teachers and classmates, put theory into practice, apply your knowledge to real-world scenarios, and build the skills and confidence needed to enter your chosen career.

Hear what our international students love about the VU Block Model

BUILD THE SKILLS YOU NEED

The practical, flexible VU Block Model allows you to build the skills you need for your career. We collaborate with industry partners to design career-focused courses so you can get to where you want to go. You'll benefit from practical learning opportunities, including industry projects and placements. The VU Block Model has also improved engagement and results.

CONNECT AND COLLABORATE

Your classes are held in interactive learning spaces. You'll collaborate with your classmates and get real-time feedback on your assessments as you progress. It's a way of learning that connects you to other students, to your teachers and to industry partners – and ultimately your chosen career.

FLEXIBLE AND ADAPTABLE LEARNING

Classes are small and collaborative with more face-to-face time with your teacher. There are also options to fast-track or pause your studies if life demands a break. The VU Block Model allows you to focus on one or two subjects at a time through three hour classes, three days a week. Focused, flexible timetables help you balance study with work and personal commitments. You'll also benefit from faster feedback on all your assessments.

HOW VU BLOCK MODEL WORKS

4-WEEK MODEL: ALL UNDERGRADUATE & SOME POSTGRADUATE COURSES

SEMESTER 1				WINTER BLOCK (OPTIONAL)	SEMESTER 2				SUMMER BLOCK (OPTIONAL)
↓ BLOCK 1	BLOCK 2	BLOCK 3	BLOCK 4		↓ BLOCK 1	BLOCK 2	BLOCK 3	BLOCK 4	
19 FEB – 15 MAR	18 MAR – 19 APR	29 APR – 24 MAY	27 MAY – 21 JUN		29 JUL – 23 AUG	26 AUG – 20 SEP	30 SEP – 25 OCT	28 OCT – 22 NOV

Bachelor of IT

INTERNATIONAL SCHOLARSHIPS

At Victoria University, we have a strong commitment to providing high quality, accessible education. Quality education can change your life, and expanding access to it is central to all that we do.

We are proud to offer a range of scholarships to support international students. Each year we award scholarships to support education at all levels of study. Our scholarships provide financial assistance during your study, partially funding your tuition fees.

All scholarship applicants must meet VU's academic entry requirements, in addition to any eligibility requirements for their scholarship.

Find out more about our wide range of scholarships by following the QR codes below.

GRADUATE DIPLOMA IN EARLY CHILDHOOD EDUCATION

COURSE CODE: EGECC CRICOS: 113431D
CAMPUS Sydney
DURATION 1 year (2 semesters)
2024 INTAKES 19 Feb, 29 Apr, 29 Jul, 30 Sep
2024 FEES A\$15,500 per semester
ENGLISH REQUIREMENT Academic IELTS: Overall 7.0 (S&L 7.5, R&W 6.5). Students with an Australian bachelor degree can be assessed for entry.
ACADEMIC REQUIREMENT Completion of an Australian Bachelor degree (or equivalent).

COURSE DESCRIPTION

The Graduate Diploma is designed for students who have a bachelor degree in any discipline aside from early childhood education. You'll learn all about child development, curriculum planning and different teaching strategies.

The course also includes a guaranteed 60 days of supervised professional experience in a range of early childcare settings, ensuring you graduate with the skills, knowledge and confidence to succeed in your future career.

GRADUATE OUTCOMES

This course is accredited by the Australian Children's Education & Care Quality Authority (ACECQA). Graduates can find employment in public or private kindergartens (pre-school), long day care centres and early childhood centres.

INFORMATION TECHNOLOGY

Meet VU student
Hüsamettin

“
VU GOT MY ATTENTION WITH ITS HIGH-QUALITY EDUCATION SYSTEM AND STUDENT-ORIENTED PROGRAM FOR INDUSTRY-BASED EDUCATION.
”

HÜSAMETTIN, TURKEY
Bachelor of Information Technology

Get set for the future of work with an in-demand qualification in information technology. Develop the latest skills and knowledge across a broad range of fields, from fighting cybercrime to web or app design, consultancy and systems administration.

Our partnerships with high-profile organisations prepare you for career success. Build experience and industry connections through professional placements and

take on real-world challenges in practical course units, brought from industry to the classroom.

Our Bachelor of Information Technology and Master of Applied Information Technology are accredited by the Australian Computer Society (ACS). You'll also get practical experience in the latest SAP solutions, entering the workforce ready to support and implement the most up-to-date version of SAP.

DIPLOMA OF INFORMATION TECHNOLOGY

COURSE CODE: VDIT CRICOS: 093392J
CAMPUS Sydney
DURATION 1 year (2 semesters)
2024 INTAKES 19 Feb, 29 Apr, 29 Jul, 30 Sep
2024 FEES A\$14,900 per semester
ENGLISH REQUIREMENT Academic IELTS: Overall score of 5.5 (no band less than 5.0)
ACADEMIC REQUIREMENT A secondary school qualification equivalent to an Australian Year 12 qualification.

COURSE DESCRIPTION

This course is designed for students taking the first step towards bachelor degrees in IT, and professionals building their current IT knowledge and skills. It offers a practical, supportive program directly leading into the second year of relevant bachelor degrees. With additional academic and language support, you'll learn up-to-date knowledge and skills, including networking, designing databases and writing computer programs in Python.

GRADUATE OUTCOMES

On completion of the course, you will be qualified for entry-level work in the IT industry, including roles in computer and network support, website development and database support.

PATHWAYS

If you successfully complete the diploma, you will be eligible for a guaranteed place in the second year of our Bachelor of Information Technology or Bachelor of Cyber Security.

BACHELOR OF INFORMATION TECHNOLOGY

COURSE CODE: NBIT CRICOS: 093390M
CAMPUS Sydney, Brisbane
DURATION 3 years (6 semesters)
2024 INTAKES 19 Feb, 29 Apr, 29 Jul, 30 Sep, 28 Oct
2024 FEES A\$16,700 per semester
ENGLISH REQUIREMENT Academic IELTS: Overall score of 6.0 (no band less than 6.0)
ACADEMIC REQUIREMENT A secondary school qualification equivalent to an Australian Year 12 qualification.
ACCREDITATION: Australian Computer Society

COURSE DESCRIPTION

Develop key information technology (IT) skills to expand your career options. Focus on areas of high demand: web and mobile application development, network and system computing, ICT management, software development and network management. This course includes Android and iOS app development, as well as training in Cisco routing and switching, IPSecure, Amazon cloud servers and Microsoft Active Directory network management.

GRADUATE OUTCOMES

This course will prepare you for roles including software analyst, web designer, mobile app developer, data centre administrator, system security consultant, webmaster and data analyst in sectors including government, banking and finance,

retail, education, health, media, logistics and manufacturing. Graduates can attain professional membership with the Australian Computer Society.

PATHWAYS

If you have successfully completed the Diploma of Information Technology (VDIT), you will be guaranteed a place in the second year of this bachelor degree. You can also gain credit (advanced standing) from completion of the following courses:

- ◆ ECA College: Diploma of Information Technology (up to 8 units of study)
- ◆ Global Business College of Australia: Diploma of Information Technology (up to 8 units of study)
- ◆ Business Leadership Institute (BLI): Diploma of Information Technology (up to 8 units of study)

BACHELOR OF CYBER SECURITY

COURSE CODE: NBCS CRICOS: 105067H
CAMPUS Sydney, Brisbane
DURATION 3 years (6 semesters)
2024 INTAKES 19 Feb, 29 Apr, 29 Jul, 30 Sep, 28 Oct
2024 FEES A\$16,700 per semester
ENGLISH REQUIREMENT Academic IELTS: Overall score of 6.0 (no band less than 6.0)
ACADEMIC REQUIREMENT A secondary school qualification equivalent to an Australian Year 12 qualification.

COURSE DESCRIPTION
Gain in-demand skills to protect data and information systems from hackers in this internationally recognised degree. You'll learn essential skills in cyber threat detection and risk management, including: cyber security technologies; ethical hacking and digital forensic data collection; vulnerability analysis and control; enterprise security; cyber security regulations, policies and laws; software development; and network design.

GRADUATE OUTCOMES
Graduating from this course will prepare you for a variety of cyber security or IT careers, such as cyber security specialist, cyber security consultant, cloud security engineer, network security engineer, and mobile and web applications developer.

PATHWAYS
If you have successfully completed the Diploma of Information Technology (VDIT), you will be guaranteed a place in the second year of this bachelor degree. You can also can gain credit (advanced standing) from completion of the following course:

Achieve a lucrative position as an SAP specialist in the growing world of digital resource management, with our world-class Master of Enterprise Resource Planning.

Our program gives you specialised and sought-after expertise. It is highly valued in the industry, as the only course at this level in Australia. We have strong industry connections, offering real-world experience and networking opportunities. During your study, you will develop knowledge of SAP software with hands-on experience and online access to SAP programs.

GRADUATE OUTCOMES

If you already work with SAP systems, our masters degree will help you to achieve the next level in your career. For IT and computer science graduates, it is the perfect bridge into a corporate profession. By completing this course, you’ll gain a competitive advantage for senior roles in ICT and ERP. Industries where ERP/SAP skills are used include construction, customer relationship management, finance, manufacturing, marketing, sporting industries, and tourism.

MASTER OF PROFESSIONAL ACCOUNTING

2024 FEES A\$18,500 per semester
ENGLISH REQUIREMENT Academic IELTS: Overall score of 6.5 (no band less than 6.0)
ACADEMIC REQUIREMENT An Australian undergraduate degree (or equivalent) in any discipline, or an Australian graduate diploma (or equivalent) in a similar discipline.
PARTNERED WITH: Institute of Managers & Leaders

COURSE DESCRIPTION

Take your career to the next level with a Master of Business Administration (Global) from VU. Whether you find yourself living and working in Sydney, Mumbai, Beijing or Boston, the VU Master of Business Administration (Global) will give you the edge to succeed in today’s international business environment. Industry experts helped design the MBA (Global). This innovative, applied course has a robust focus on global business issues; learning with industry experts through a business internship; practical application of knowledge to real-life problems; business consulting with real clients; career skills development; and digital and technological expertise acquirement.

GRADUATE OUTCOMES

The course is highly practical, emphasising applying new knowledge gained to workplace settings, making MBA (Global) graduates work-ready. Depending on where you are in your career and aspirations, you can aim for middle to senior management roles with our MBA (Global) degree.

WHAT’S NEXT? HOW TO APPLY

1 CHOOSE YOUR COURSE

For information about courses, fees and entry requirements for international students visit:

vu.edu.au/sydney-courses

vu.edu.au/brisbane-courses

Entry requirements:

vu.edu.au/entry-international

2 COLLECT SUPPORTING DOCUMENTS

Gather the documents required to support your application. Providing the correct documents when you apply will ensure your application is processed promptly. You may wish to apply through an ECA-approved education agent. To find one close to you, visit:

vu.edu.au/sydney-brisbane-agents

3 APPLY ONLINE

Apply to study at VU using our online system. You can apply directly or through an agent. Your entire application will be managed through this system.

You may be eligible to receive credit (advanced standing) towards your course based on prior study. For further information about how to apply, visit:

vu.edu.au/apply-sydney

vu.edu.au/apply-brisbane

4 ACCEPT YOUR OFFER

Once you receive a full offer, you need to sign your International Student Written Agreement and pay your tuition fee deposit in order to accept. Accept your offer as early as possible to ensure enough time to apply for your student visa.

5 ARRANGE A STUDENT VISA

Arrange your student visa through the Australian Department of Home Affairs. Visa processing times can vary, so apply as soon as you receive your Certificate of Enrolment (CoE) from VU.

homeaffairs.gov.au/visas

6 ENROL

Enrol in person when you come to campus for orientation. International students studying in Australia with an Australian education or training provider need to get a Unique Student Identifier after arriving in Australia.
