Course Delivery Information: This course is designed to be taken as either On Campus or Online (Online Self-Paced). Students studying on a Student Visa are required by the conditions of their visa to attend the course in person.

Unit sequence: Units must be studied in a strict sequence, outlined below, or your course completion will be delayed. ECE6012 and ECE6013 must be enrolled in the same block. To get assistance with double blocking, part-time studies or any other issues related to your course sequence, please contact [ASKCUA https://askvu.vu.edu.au/app/askcua](https://askvu.vu.edu.au/app/askcua).

Placement: Students are required to complete 60 days of supervised placement in an early childhood education setting. All students are offered support from the Partnership office to source their placement. Up to 50% of placement can be undertaken in the workplace. You must complete placement with the associated units. Altering this plan is likely to delay course completion. Please note: placement days may be scheduled and completed outside of the enrolled block. Exact placement dates will be advised on your Course Map and Placement Calendar after enrolment.

Various Unit Delivery Modes:

In person: Your unit or classes will be delivered on the campus you have enrolled in. The timetable will display “On Campus” and provide the room where the classes will be held and you will physically attend those classes. All learning activity delivered on campus will continue to be run under strict COVID-19 safe practices.

Online self-paced: You will participate in learning activities online over that period but not at a set time. You will be able to conduct these activities at a time that suits you, providing those activities are completed by the required time. Your timetable will display “Online Self-Paced”.

Hybrid: Part of your unit will be delivered in person on the campus you have enrolled in, with the remainder delivered in an online mode. The timetable will state which classes or activities in the unit will be delivered on campus and which classes or activities will be online, in either real-time or self-paced mode.

COURSE DELIVERY PLAN 2023

Prerequisites A number of units within the degree have 'prerequisites'. These prerequisites must be met before enrolment in the unit is permitted. Generally these prerequisites require the successful completion of a unit or units taken at an earlier stage in the course. Students should pay particular attention to these prerequisite requirements as failure to meet these can seriously hinder progression through the course.

Date of Publication: This information is current at the publication date: 9 January 2024. It is provided as information only and does not form part of a contract between any person and Victoria University.

For more detailed information: When the student is enrolled, they will have access to the COMM page on VU Collaborate. This is the central place for course announcements, exact placement dates, course maps per intake and placement information.
