ACKNOWLEDGEMENT OF COUNTRY

Victoria University (VU) acknowledges the Elders, families and forebearers of the Boonwurrung, Woiwurrung (Wurundjeri) and Wathaurung (Wadawurrung) who are the custodians of University land and have been for many centuries.

We acknowledge that the land on which we stand is the place of age-old ceremonies of celebration, initiation and renewal, and that the Kulin people's living culture had, and has, a unique role in the life of this region. VU supports the aim of Reconciliation Australia to build better relationships between the wider Australian community and Aboriginal and Torres Strait Islander peoples for the benefit of all Australians.

A MESSAGE FROM THE VICE-CHANCELLOR AND PRESIDENT

Welcome – and my heartfelt congratulations to all graduands at this important ceremony. I am delighted to celebrate your achievements in 2023.

It is clear that our students are diverse, resilient, resourceful and passionate about achieving their goals. This has never been more evident as we have all adapted to the rapidly changing world around us. Your achievement here today is remarkable, and I hope you are as proud of yourselves as we are.

In graduating from VU, you become alumni of a university among the world's best. This enhances the value of the qualification you have worked so hard to earn, and will assist you as you forge ahead with your career.

I can think of no other Australian university with more potential than VU to influence and contribute to its communities. This is where you come in: your award is an opportunity to make a real contribution to the workforce and to society, anywhere in the world.

I join the Chancellor in encouraging you to remain connected to the University as part of our ever-growing alumni community. I look forward to hearing more from you as you join us as valued ambassadors for the University.

Congratulations on reaching this exciting milestone. Our thoughts are with you on this special day.

With personal best wishes,
Adam

START WELL, FINISH BRILLIANTLY

Congratulations! You have achieved a significant milestone. You have succeeded in your tertiary studies, and you are now a proud VU graduate.

Start well, finish brilliantly is the title, and spirit, of our *Strategic Plan 2022-2028*. What does this mean? It encapsulates a range of meanings. For you, our graduates, it means that we equipped you with the knowledge, the environment, the teachers and the tools you needed throughout your time at VU to succeed.

We prepared you to thrive – all the way from day one to graduation day. Whether it was our one-of-a-kind First Year College that made a difference, the revolutionary VU Block Model, or our skills-focused training – the VU experience was designed to realise your achievements.

What you have gained from VU takes you well into your career. As a VU graduate, you are well placed for success. Employers rate Victoria University graduates as the most employable in Australia, according to Australia's most comprehensive independent survey of employer satisfaction (2020 and 2021). This is a great result that demonstrates that you graduate from VU job-ready.

VU has a long history of ensuring graduates, regardless of their personal backgrounds, successfully transition from their studies to the workforce as they embark on building rewarding careers. We have ensured that industry is integrated into our learning and teaching, and we have many longstanding partnerships that have a multifaceted impact on all we do.

You graduate today, but you are not forgotten. At VU, we keep our alumni informed, connected and engaged. With more than 270,000 alumni worldwide, alumni are inspiring current and future students and actively supporting students through mentoring, providing placements, and relevant careers advice.

And although continuing your studies one day may be the furthest thing from your mind at this moment, we look forward to welcoming you back when the time comes.

After all, there are many different starting points in our lives – and you are at an exciting starting point right now.

THE UNIVERSITY MACE — AN ESTABLISHED TRADITION

Our graduation ceremonies begin with the entrance of the University mace, signifying the authority of the Chancellor. Carried by the Mace Bearer, the mace symbolises learning, scholarship and our rich history. The mace connects us with those who have come before and those who will follow in the pursuit of learning. Made of sterling silver and 24-carat gold, the design includes the letter 'V', standing for Victoria – our University's home and namesake.

ACADEMIC DRESS

Wearing academic dress on ceremonial occasions is a celebrated university tradition, and generally consists of a gown (also known as a robe) with a separate hood (also known as a stole), and usually a cap – doctoral candidates wear a bonnet. Throughout the Commonwealth, universities usually follow the academic dress style of Oxford or Cambridge. Our academic dress is based on the Oxford style. Traditionally, the Chancellor's gown is faced in gold and the Vice-Chancellor's gown is faced in silver.

The colour of the hood (stole) identifies the discipline:

Ruby	Arts
Ultramarine	Business or Business Administration
Cherry	Education
Silver Grey	Engineering
Old Rose	Health Science
Parchment	Law
Pansy	Music
Buff	Psychology
Spectrum Green	Science, Applied Science and Sport Science
Gold	Social Studies
Gold	Sport and Recreation
Adonis Blue	Doctor of Business
Cherry	Doctor of Education
Graphite	Doctor of Engineering
Pearl White	Doctor of Laws
Ruby	Doctor of Letters
Sapphire	Doctor of Philosophy
Old Gold	Doctor of Psychology
Spectrum Green	Doctor of Science
Sky Blue	Doctor of the University
Tangerine	TAFE Certificates

The gowns worn by graduating students help distinguish undergraduate and higher degrees:

- ♦ undergraduates and postgraduates wear a black gown – Vocational Education, Further Education and undergraduate gowns have a large slit in each sleeve
- ♦ the masters gown has a long narrow sleeve extension
- ♦ doctoral candidates wear a red gown.

Masters – a black gown and black cap with a black hood fully lined with the discipline colour.

Doctors – a black bonnet with a gold cord, a scarlet gown with a facing and a black hood fully lined with the discipline colour.

First Nations/Indigenous

Australians – The academic dress of your award is worn together with a calf length black and patterned silk stole that has the Moondani Balluk name and a portion of the Moondani Balluk logo.

ACADEMIC DRESS FOR PARTICULAR AWARDS IS AS FOLLOWS:

Certificates – a black cap and an undergraduate gown with a black stole with a facing of tangerine.

Diplomates and Graduate

Certificates – a black cap and an undergraduate gown with a black stole with a facing in the discipline colour.

Bachelors – a black gown and black cap with a black hood half lined with the discipline colour. The hood for the honours degree has a white band on the edge of the hood.

The logo design is evocative of the western region of Melbourne. The black lines represent boomerangs that speak to the return of knowledge to the Aboriginal community from the University and from the Aboriginal community to the University. The eel shape represents the Traditional Owner food source while the line designs within represent Traditional Owner land, culture, law and connection as continual. The bora ring shapes in the left hand side stole panel represent Indigenous knowledge, respect and justice, and our relationships to land, culture, Elders and lore.

In official abbreviations of our awards, Victoria University is abbreviated to VicMelb.

Thesis title: Development of Sustainable Pavements: An Experimental and Finite Element Analysis Study

Citation: Currently, the percentage of recycled materials in asphalt production is limited due to performance uncertainties. The development of asphalt mixtures made of 100% recycled aggregates was investigated. Providing experimental and numerical evidence, this study contributed to sustainability in the pavement industry by demonstrating the superior performance of innovative asphalt mixtures entirely made of recycled aggregates as alternatives to conventional mixtures.
