**Note:** Students are required to enrol in all units for semester 1 and 2, and are not permitted to enrol in more than 48 credit points per semester as a full-time load.

**Core/Elective** Core (a unit that must be completed) & Elective (you have some choice in what you select).

**Prerequisites** A number of units within the degree have 'prerequisites'. These prerequisites must be met before enrolment in the unit is permitted. Generally these prerequisites require the successful completion of a unit or units taken at an earlier stage in the course. Students should pay particular attention to these prerequisite requirements as failure to meet these can seriously hinder progression through the course.

### Minors

#### The Musical Mind AMIMIN

The Musical Mind is a suite of units that focus specifically on music perception and cognition, the philosophy of music and its role in culture and society, and introductory psychology. The main purpose of this minor is to prepare students undertaking the Bachelor of Music ABMC for further studies in Music Therapy. This minor enables students to meet some of the essential entry requirements for the Master of Music Therapy Course at Melbourne University.

## Digital Media AMIDIG

Digital media is a ubiquitous force transforming how we work, interrelate and communicate. Once a technology located within the area of work, digital media is moving into all areas of everyday life, and practitioners are required to develop new applications such as in the areas of entertainment, health and education. Concurrently, technology is now at a point where those with higher education level digital media can co-opt technology to create projects.

## Popular Music Studies AMIPOP

Popular Music studies is a dynamic suite of units in musicology and music cognition with great relevance for contemporary arts and culture. Students studying this minor explore the fundamental question "why is music in our lives?". Students recognise and reflect on key concepts of musicological theory including social, historical, cultural, and ethical issues, and apply local and international perspectives to practice in the discipline of music. In addition, students gain an insight into their own psychophysical, intellectual and emotional responses to music. While this minor fosters emerging musicians, it does not require students to have any background in instrumental practice.

## Visual Art AMIVSU

The Visual Art minor provides students with an integrated set of units that will develop student individual art making practices and broaden student experience and understanding of fine art history and theory. Undertaking this minor will allow students to conceive, produce and critique artworks incorporating methodologies of painting and drawing. Through theoretical content, discourse and research of significant artists, students will make rigorous critical analytical and interpretative thinking about art and develop the capacity to apply creative thinking and innovation broadly. During the minor students will engage with arts professionals and the visual arts community, visit exhibitions and write reviews.
