## Further information regarding placement units:

ABYC students need to complete **both** capstone units ECY3003 and ECY3004

In third year students enhance the skills and knowledge previously developed, requiring them to exercise a higher degree of autonomy and responsibility. In this industry placement the students complete 200 hours in the one organisation.

The priority is to have students involved in placement that further develops their professional practice and engagement within the sector and provides an opportunity to apply the level of expertise they are rapidly developing within their academic studies.

Placements can occur at any time throughout the academic year dependent on host organisation needs and student availability. Students negotiate their placement schedule with the workplace supervisor.
