

# Master of Supply Chain Management

Course code: BMSU (Commencing 1B1 2025)

## Course Requirements

To attain the Master of Supply Chain Management, students will be required to complete 192 credit points consisting of:

- 48 credit points business core units
- 96 credit points professional core units
- 12 credit points BMO5501 Business Ethics and Sustainability
- 12 credit points BMO7006 Applied Business Project (Capstone)
- 24 credit points elective units (please check any pre-requisite requirements prior to enrolling)

Students are required to enrol in all units for semester 1 and 2, and are not permitted to enrol in more than 48 credit points per semester as a full-time load.

## Credit Points

A credit point is used to measure the study load for a unit. A standard unit consists of 12 credit points, with each completed unit's credit points adding up to meet your required total of credit points to complete your course.

## Capstone Units

This course includes capstone units, which are third-year level units that are completed at the end of your last year of study. They involve demonstrating the skills and knowledge you have acquired through your course, usually through a large research project or an internship. They have the study load of 2 units, and are worth 24 credit points upon completion.

## Prerequisites

A number of units within the degree have 'prerequisites'. These prerequisites must be met before enrolment in the unit is permitted. Generally these prerequisites require the successful completion of a unit or units taken at an earlier stage in the course. Students should pay particular attention to these prerequisite requirements as failure to meet these can seriously hinder progression through the course.
