

Bachelor of Speech and Language Sciences / Master of Speech Pathology

Course code: HCSP

Course Requirements

To attain the Bachelor of Speech and Language Sciences / Master of Speech Pathology, students will be required to complete 432 credit points consisting of:

- 432 credit points of Core studies

Students are required to enrol in all units for semester 1 and 2, and are not permitted to enrol in more than 48 credit points per semester as a full-time load.

Credit Points

A credit point is used to measure the study load for a unit. A standard unit consists of 12 credit points, with each completed unit's credit points adding up to meet your required total of credit points to complete your course.

Strict Sequence

Your course units must be completed in a strict order, which will be automatically set up for you in MyVU at the start of each year. It is crucial to follow this order when enrolling, as failing to do so may result in significant delays, potentially postponing your course completion by up to a year. If you face any challenges, such as a missing order in MyVU, unit failures, or other obstacles, it is essential to contact a [Course and Unit Advisor](#) to ensure your enrolment is properly adjusted.

Prerequisites

A number of units within the degree have 'prerequisites'. These prerequisites must be met before enrolment in the unit is permitted. Generally these prerequisites require the successful completion of a unit or units taken at an earlier stage in the course. Students should pay particular attention to these prerequisite requirements as failure to meet these can seriously hinder progression through the course.
