

Master of Professional Psychology

Course code: HMPP

Course Requirements

To attain the Master of Professional Psychology, students will be required to complete 288 credit points consisting of:

- 96 credit points of Core units

Students are required to enrol in all units for semester 1 and 2, and are not permitted to enrol in more than 48 credit points per semester as a full-time load.

Credit Points

A credit point is used to measure the study load for a unit. A standard unit consists of 12 credit points, with each completed unit's credit points adding up to meet your required total of credit points to complete your course.

Placement

Students are required by APAC to obtain 300 hours of professional practice (practicum) during the course.

HPP7001 (150 hours) WIL Placements - supported (onsite)
HPP7002 (150 hours) WIL Placements - supported (onsite)

HPP7000	Evidence Based Practice for Psychologists	Core	2B1	12	FP	
APM7008	Psychology of Health and Community	Core	2B2	12	FP	

Prerequisites

A number of units within the degree have 'prerequisites'. These prerequisites must be met before enrolment in the unit is permitted. Generally these prerequisites require the successful completion of a unit or units taken at an earlier stage in the course. Students should pay particular attention to these prerequisite requirements as failure to meet these can seriously hinder progression through the course.

Core

A unit that must be completed

Year 1 - Semester 1 Block 1 (1B1) Intake
