# Key Details

This guide is for applicants interested in a postgraduate research scholarship commencing in **Research Period 2 2025** or **Research Period 1 2026** at Victoria University.

This scholarship is for the purpose of undertaking a graduate research degree related to the project outlined in [Table 2](#).

The Stipend Value and Included Benefits are outlined in [Table 3](#).

## The Project:

The PhD research project will contribute to the work of the Centre of Excellence: young people and disasters.

The Centre is a partnership between Youth Affairs Council Victoria and Victoria University's Youth and Community Research Group and champions the inclusion and active involvement of young people to contribute to all aspects of disaster response. The Centre takes a strengths-based approach and utilises evidence to inform and improve engagement with young people and their communities in policy responses.

The PhD research project will be supervised by the Centre's lead researchers, Associate Professor Fiona MacDonald and Professor Tim Corney, using qualitative or mixed-methods, critical research approaches to investigate young people's involvement in disaster response.

The research focus is young people (e.g. 12-24 years) and natural disasters in an Australian context, and can focus on targeted aspects in this field of research (e.g. young people's involvement in climate change mitigation, bushfire or flood recovery etc).

Applicants should possess the following required disciplinary knowledge:

- ◆ An Honours or Masters degree (by research thesis) with Second Class Honours/Distinction grade average or above in a cognate discipline e.g. Social Sciences (particularly Sociology of youth, Sociology of change); Education (particularly adult or community pedagogy); Professional youth work or community development work; Human Rights (particularly child and youth rights, UNCRC).

Please refer to the [Higher Degree by Research Scholarship Procedure](#). Employment must not interfere with the candidate’s progress.

## Commencement

No deferrals of the Scholarship will be considered. All successful applicants are expected to commence study by the Commencement Date advised in the Letter of Offer. The Commencement Date will normally be the Expected Commencement Date in Item (a) of [Table 2 Project Outline](#), however the University reserves the right to change the Commencement Date in the Letter of Offer when offering a scholarship.

If an applicant cannot start by the Commencement Date, the offer of the Scholarship may be withdrawn.

## Part-time Scholarships

If Item (f) of Stipend Value and Included Benefits is marked “No” then Funding Agency requirements for the Project mean that the scholarship cannot be offered for part-time study.

If Item (f) of Stipend Value and Included Benefits is marked “Yes” the Scholarship may be available for part-time study to those who are unable to study full-time for all or part of their candidature. Where Item (f) of Stipend Value and Included Benefits is marked “yes” part-time scholarships can only be approved only in the following specific instances, where the scholarship holder has:

- A medical condition which limits the capacity to undertake full-time study (supported by medical certification), OR
- Care responsibilities for a pre-school child, OR
- Care responsibilities for a school aged child as a sole parent with limited access to support, OR

- Care responsibilities for an invalid or disabled spouse, child or parent

Part-time scholarships are **NOT** available to applicants who wish to study part-time in order to undertake full or part-time employment. Part-time scholarship holders are subject to the same restrictions on employment as full-time scholarship holders. Applicants wishing to be considered for a part-time scholarship must meet the criteria listed above. Applicants must provide evidence of the reason(s) they are unable to study full time. They also require the agreement of the supervisor and the University to the part-time arrangements.

## Scholarship Selection Procedures

### Eligibility

All applications are assessed against the Eligibility criteria for the scholarship scheme. Those applications deemed ineligible for a scholarship will not be processed any further and ineligible applicants will be notified of the result.

### Ranking against the selection criteria

The Project Supervisor will rank eligible applications on the basis of academic merit, relevant research experience, publications, and relevant work experience and may identify applications which are not for further consideration (NFFC).

The Project Supervisor may contact an applicant directly for more detail regarding their application.

### Final Ranking

The Institute Associate Director will determine a final ranking of applications, identifying the preferred application.

### Appeals

A request to review a scholarship decision must be lodged in writing [dean.gradresearch@vu.edu.au](mailto:dean.gradresearch@vu.edu.au) within 10 University business days of the applicant being informed of the decision.

A review of a scholarship decision is available in circumstances where unsuccessful applicants believe there was a breach of process in the handling of their application.

The Dean, Graduate Research will undertake or arrange a review if there is a conflict of interest, of the decision and a written outcome will be provided within 10 University business days of the date that the request was received by VU. If there are any delays to the timeline for any outcome, the Dean, Graduate Research will advise the applicant the reason for the delay and the date that they may receive an outcome of the review.
