## Further information regarding placement units:

### AEB3803 Professional Practice

Professional Practice provides the authentic context for a collaboration of student youth and community work practitioners, their community sector mentors and the university, to understand and enhance youth or community work professional practice. The practical experiences of student youth or community workers in partnerships are also the basis of their critical reflection and theorising on practice, which leads to sustainable improvement and change.

As each placement is unique, students are required to negotiate their tasks, responsibilities and timelines with their agency supervisor and undertake regular supervision to reflect on their practice.

**Placement:** 200 hours. Students undertake placement for 8 hours, 1-2 days a week for a period of 20-25 weeks until total hours are achieved.

For ABYW and EBYS students: Due to accreditation requirements from Youth Workers Australia, this unit has an attendance requirement of 80% and students must successfully complete all assessments to pass the unit. This is to ensure that the course maintains the standards and benchmarking set out by the accreditation body.

### SSM2002 Career Development and Employability

This unit aims to bring students into career maturity before they graduate from the course. Students learn the skills, knowledge and insights to become proactive and strategic career builders and gain an understanding of the variety of career options within related industries aligned to sport, recreation & sport science sectors. They learn the importance of gaining work-related experience and also develop understanding to improve their career outcomes. Students learn job hunting skills by securing a career placement of their choice. This placement should improve their career options and employability after graduation

**Placement:** 70 hours; Career placement within sport and recreation industry.
