

22614VIC

Certificate II in Building and Construction Pre-apprenticeship

Stream: Bricklaying

About

This introductory course equips you with basic industry skills and knowledge specific to the bricklaying industry and can contribute to gaining an apprenticeship in the building and construction industries (Certificate III level).

You will learn

- ◆ How to apply basic bricklaying techniques
- ◆ How to identify and handle bricklaying tools and equipment
- ◆ How to follow safety requirements in the construction industry.

Location and time

Werribee Campus,
Wednesday, 8.30am–3pm

Duration

Two years part-time

Course fees

VU does not charge any fees to students directly to undertake VDSS with us. These fees are in line with the Department of Education & Training fee bands and are charged to the secondary school.

Please contact your Secondary School VET Coordinator for course fees.

Program outcomes

Recognition of Units 1 and 2 and Units 3 and 4 sequence are successfully completed.

This program does not offer scored assessment.

Qualification

22614VIC Certificate II in Building and Construction Pre-apprenticeship.

Where the full qualification is not completed, a Statement of Attainment is issued for passed units.

Equipment (student to supply)

- ◆ Safety glasses
- ◆ Overalls/pants/shorts
- ◆ Safety boots
- ◆ Ear muffs & adequate P-1 or P-2 face mask for dust
- ◆ 1 metre folding ruler
- ◆ Carpenter's pencil
- ◆ 8 metre tape
- ◆ Pencils in 2H and HB
- ◆ Ballpoint pen
- ◆ Calculator
- ◆ 4GB memory stick

Course outline

Year 1		Year 2

CPCCOM1015	Carry out measurements and calculations	VU23314	Erect and safely use working platforms
CPCCOM1014	Conduct workplace communication	VU23317	Apply brick veneer construction techniques
VU23315	Identify and handle bricklaying tools and equipment	VU23318	Apply cavity brick construction techniques
VU23316	Apply basic bricklaying techniques	VU23319	Apply masonry blockwork techniques

Structured Workplace Learning

The Victorian Curriculum and Assessment Authority (VCAA) has determined that Structured Workplace Learning (SWL) is a valuable component of all VET qualifications undertaken by VCE (including Vocational Major) and VPC students.

VCAA strongly recommends that students undertake a minimum of 80 hours of SWL over the duration of the VCE VET Certificate II in Building and Construction (Bricklaying).

Further information regarding SWL is available at:

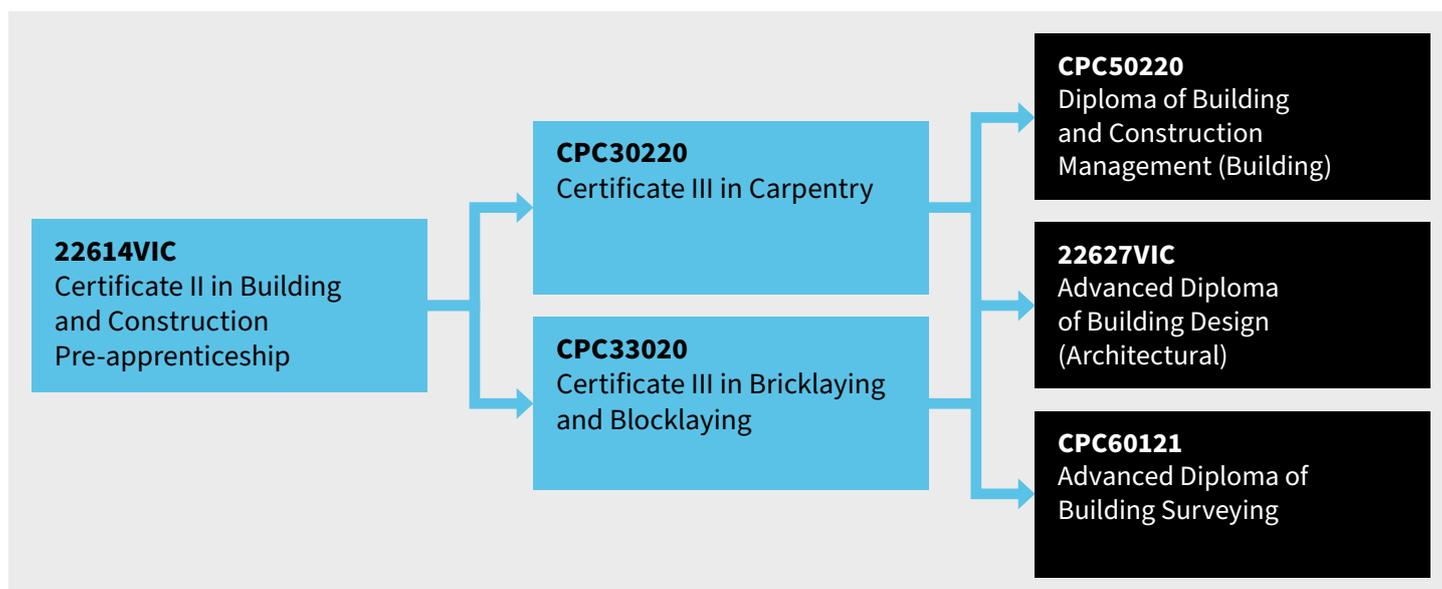

<https://www.vcaa.vic.edu.au/curriculum/vet/swl-vet/Pages/Index.aspx>

Secondary schools are required to organise Structured Workplace Learning.

Contact

For further course information, contact VDSS@vu.edu.au.

VU TAFE pathways

*CPC30220 Certificate III Carpentry is an apprenticeship and requires an employer and Training Contract.
