

HLT33115

Certificate III in Health Services Assistance

About

This introductory course equips you with knowledge and skills to care for patients in a healthcare environment.

Job roles may include patient care and patient transport, clinical cleaning and more under direct supervision.

You will learn

- ◆ How to accurately interpret medical terminology
- ◆ How to apply effective infection control practices
- ◆ To develop practical skills in patient care
- ◆ To develop communication skills to interact with individuals from varied backgrounds
- ◆ About workplace health and safety protocols to ensure a safe working environment
- ◆ Principles of First Aid, health and safety.

Location and time

Werribee Campus,
Wednesdays, 9am–3pm

Duration

Two years part-time

Course fees

VU does not charge any fees to students directly to undertake VDSS with us. These fees are in line with the Department of Education & Training fee bands and are charged to the secondary school.

Program outcomes

Recognition of Units 1 and 2 and Units 3 and 4 sequence are successfully completed. This program does not offer scored assessment.

Qualification

The award of HLT33115 Certificate III in Health Services Assistance.

Where the full qualification is not completed, a Statement of Attainment is issued for passed units.

Equipment (student to supply)

- ◆ Access to a digital device/computer and internet
- ◆ Pens and notebook

Structured Workplace Learning

The Victorian Curriculum and Assessment Authority (VCAA) has determined that Structured Workplace Learning (SWL) is a valuable component of all VDSS qualifications undertaken.

To complete all components of this course, students will be required to complete 30 hours of Structured Workplace Learning per year. Practical placement requires Working with Children Check (WWCC), National Police Check and a Health Status Check.

Further information regarding SWL is available at:

<https://www.vcaa.vic.edu.au/curriculum/vet/swl-vet/Pages/Index.aspx>

Secondary schools are required to organise the Structured Workplace Learning.
