A MESSAGE FROM THE CHANCELLOR

As Chancellor of Victoria University, I take enormous pride in the achievements of our graduates. It is a pride that is shared by your family and friends, and by all VU staff and Council members.

Your success in completing your course of study is our greatest reward. Your graduation day is a significant milestone. It is important to me and the entire university community that each ceremony highlights the rich diversity of our institution and honours the celebratory nature of the occasion.

During your time with us, we have equipped you with the knowledge and skills you need to thrive in the modern world. You have shown an ability to set goals and achieve them. You have the tools to learn, to adapt, to be flexible, to be resilient and to succeed.

Throughout your study we have strived to give you an education which includes an understanding of the workforce and an appreciation of the world in which we live. We are now sending you out into the world to make a difference.

As a university we seek not only to provide you with a first class education but it is important to us that we strengthen the communities from which you come, and in many cases, to which you will return. Through you, and through the impact of our research on real world issues, we are improving our community, both locally, nationally and globally.

To each of our graduates – enjoy your well-deserved graduation day. I encourage you to reflect on all that you have accomplished so far and on the many experiences that are still to come.

You will always remain a member of the VU family. Please stay connected through our extensive alumni network and keep us updated on the achievements you are making in the world.

I hope that VU means as much to you as it does to me.

Congratulations and my very best wishes for an exciting and successful future.

Regards,
Steve

A MESSAGE FROM THE VICE-CHANCELLOR AND PRESIDENT

Welcome - and my heartfelt congratulations to all graduands at this important ceremony. I am delighted to celebrate your achievements alongside you in 2022.

After over a year as Vice-Chancellor of this wonderful institution, it is clear that our students are diverse, resilient, resourceful and passionate about achieving their goals. This has never been more evident than in the last two years when your studies were disrupted by COVID-19. Your achievement here today is remarkable, and I hope you are as proud of yourselves as I am.

In graduating from VU, you become alumni of a university among the world's best. This enhances the value of the qualification you have worked so hard to earn, and will assist you as you forge ahead with your career both near and far.

I can think of no other Australian university with more potential than VU to influence and contribute to its communities. This is where you come in — your award is an opportunity for you to make a real contribution to the workforce and society, whether it is around the corner or the world.

I join the Chancellor in encouraging you to remain connected to the university as part of our ever-growing alumni community. I look forward to hearing more from you as you join them as valued ambassadors of VU.

Congratulations on reaching this exciting milestone. Our thoughts are with you on this special day.

With personal best wishes,
Adam

A MESSAGE FROM DEPUTY VICE-CHANCELLOR VOCATIONAL EDUCATION

As the Deputy Vice-Chancellor Vocational Education on behalf of Victoria University, it gives me a great sense of pride to participate in your graduation ceremony today.

Congratulations on your achievement. The graduation ceremony is an opportunity to reflect on your journey so far and your future vision, as we celebrate your success and this important milestone with your family, friends, teachers and peers.

No one could have predicted how tough the last two years would be. Yet during that COVID dominated time, you - the VU Polytechnic students- were able to respond with tenacity and perseverance to overcome obstacles and challenges we could never have imagined. Even in the midst of a global pandemic, spending more than 250+ days in lockdown in Victoria, adapting to constant changes in how learning was undertaken, the grit and commitment of our TAFE students triumphed. This is evidenced by the 5,000+ students who completed their course and by your presence at graduation ceremony.

You can be confident that you are graduating from an educational institute with a long history of credibility and success. In 2021, your graduation year, VU Polytechnic's success was recognized through the following external awards:

- ◆ Multiple Diamond and Gold Awards for national excellence in digital innovation at the LearnX Awards (e-learning talent, training, systems and design)
- ◆ Finalist for two categories at Victorian Training Awards: firstly, for Industry Collaboration with our Victoria Police Diversity Recruitment Program, showcased on Channel 10 news. Secondly as a finalist for Inclusive Training Provider of the Year
- ◆ Runner up in the national TAFEcyber challenge for VU Certificate IV Cyber Security students and staff
- ◆ Over the last 18 months, our students were the recipients of the Building Industry Foundation Award, State Apprentice of the Year, Bricklaying and Bricklaying Apprentice of the Year and Geelong Training Provider Apprentice of the Year from the Master Builders Association of Victoria, as well as the two highest awards provided by the Master Plumbers for apprentices.
- ◆ Our staff and students showcased their work at many local, state and global events
- ◆ VU continues to be ranked in the top 2% of universities worldwide (Times Higher Education, World University Rankings 2017-2021)

Your experiences and contributions have helped shape many of these initiatives. Now, as alumni, you continue to be an important part of our community of lifelong learners and we hope you follow our progress and continue to shape our future, as learners, employees, industry partners, and positive ambassadors in the community for Victoria University and its Polytechnic.

Your hard work and approach to continuous learning, will provide ongoing value throughout your chosen career and enhance your professional and personal growth. Today, celebrate and enjoy this special occasion.

Ms. Dianne Semmens

DEPUTY VICE-CHANCELLOR VOCATIONAL EDUCATION

START WELL, FINISH BRILLIANTLY

Congratulations! You have achieved a significant milestone. You have succeeded in your tertiary studies, and you are now a proud VU graduate.

Start well, finish brilliantly is the title, and spirit, of our *Strategic Plan 2022-2028*. What does this mean? It encapsulates a range of meanings. For you, our graduates, it means that we equipped you with the knowledge, the environment, the teachers and the tools you needed throughout your time at VU to succeed.

We prepared you to thrive – all the way from day one to graduation day. Whether it was our one-of-a-kind First Year College that made a difference, the revolutionary VU Block Model, or our skills-focused training – the VU experience was designed to realise your achievements.

What you have gained from VU takes you well into your career. As a VU graduate, you are well placed for success. For the second year in a row, employers have rated Victoria University graduates as the most employable in Australia, according to the country's most comprehensive independent survey of employer satisfaction. This is a great result that demonstrates that you graduate from VU job-ready.

VU has a long history of ensuring graduates, regardless of their personal backgrounds, successfully transition from their studies to the workforce as they embark on building rewarding careers. We have ensured that industry is integrated into our learning and teaching, and we have many longstanding partnerships that have a multifaceted impact on all we do.

You graduate today, but you are not forgotten. At VU, we keep our alumni informed, connected and engaged. With more than 270,000 alumni worldwide, alumni are inspiring current and future students and actively supporting students through mentoring, providing placements, and relevant careers advice.

And although continuing your studies one day may be the furthest thing from your mind at this moment, we look forward to welcoming you back when the time comes. After all, there are many different starting points in our lives – and you are at an exciting starting point right now.

Well done, and best of luck.

THE UNIVERSITY MACE — AN ESTABLISHED TRADITION

Our graduation ceremonies begin with the entrance of the University mace, signifying the authority of the Chancellor. Carried by the Mace Bearer, the mace symbolises learning, scholarship and our rich history. The mace connects us with those who have come before and those who will follow in the pursuit of learning. Made of sterling silver and 24-carat gold, the design includes the letter ‘V’, standing for Victoria – our University’s home and namesake.

ACADEMIC DRESS

Wearing academic dress on ceremonial occasions is a celebrated university tradition, and generally consists of a gown (also known as a robe) with a separate hood (also known as a stole), and usually a cap – doctoral candidates wear a bonnet. Throughout the Commonwealth, universities usually follow the academic dress style of Oxford or Cambridge. Our academic dress is based on the Oxford style. Traditionally, the Chancellor's gown is faced in gold and the Vice-Chancellor's gown is faced in silver.

The colour of the hood (stole) identifies the discipline:

Ruby	Arts
Ultramarine	Business or Business Administration
Cherry	Education
Silver Grey	Engineering
Old Rose	Health Science
Parchment	Law
Pansy	Music
Buff	Psychology
Spectrum Green	Science, Applied Science and Sport Science
Gold	Social Studies
Gold	Sport and Recreation
Adonis Blue	Doctor of Business
Cherry	Doctor of Education
Graphite	Doctor of Engineering
Pearl White	Doctor of Laws
Ruby	Doctor of Letters
Sapphire	Doctor of Philosophy
Old Gold	Doctor of Psychology
Spectrum Green	Doctor of Science
Sky Blue	Doctor of the University
Tangerine	TAFE Certificates

The gowns worn by graduating students help distinguish undergraduate and higher degrees:

- ♦ undergraduates and postgraduates wear a black gown – Vocational Education, Further Education and undergraduate gowns have a large slit in each sleeve
- ♦ the masters gown has a long narrow sleeve extension
- ♦ doctoral candidates wear a red gown.

Masters – a black gown and black cap with a black hood fully lined with the discipline colour.

Doctors – a black bonnet with a gold cord, a scarlet gown with a facing and a black hood fully lined with the discipline colour.

First Nations/Indigenous

Australians – The academic dress of your award is worn together with a calf length black and patterned silk stole that has the Moondani Balluk name and a portion of the Moondani Balluk logo.

ACADEMIC DRESS FOR PARTICULAR AWARDS IS AS FOLLOWS:

Certificates – a black cap and an undergraduate gown with a black stole with a facing of tangerine.

Diplomates and Graduate

Certificates – a black cap and an undergraduate gown with a black stole with a facing in the discipline colour.

Bachelors – a black gown and black cap with a black hood half lined with the discipline colour. The hood for the honours degree has a white band on the edge of the hood.

The logo design is evocative of the western region of Melbourne. The black lines represent boomerangs that speak to the return of knowledge to the Aboriginal community from the University and from the Aboriginal community to the University. The eel shape represents the Traditional Owner food source while the line designs within represent Traditional Owner land, culture, law and connection as continual. The bora ring shapes in the left hand side stole panel represent Indigenous knowledge, respect and justice, and our relationships to land, culture, Elders and lore.

In official abbreviations of our awards, Victoria University is abbreviated to VicMelb.
